

OUR MISSION

Since 1962, the **U.S. Capitol Historical Society** has proudly worked to preserve and share the history of the Capitol, the Congress, and the people who work therein. As a nonpartisan, educational 501(c)3 nonprofit organization, the Society was chartered by Congress, in part, *"to foster and increase an informed patriotism."*

In service of this mission, the Society conducts historical tours of the Capitol Building, hosts virtual and in-person public history programming, publishes scholarly research about Capitol History, coordinates an online civics education digital resource hub, manages a renowned civics education field trip for D.C. public school students, sponsors research fellowships, and commissions works of fine art for the Capitol collections.

THE CAPITOL COMMITTEE

The **Capitol Committee** is a group of over 110 Corporations, Associations, and Foundations that support the mission of the U.S. Capitol Historical Society through unrestricted donations. Leading companies join the Capitol Committee's **Leadership Council** with annual charitable contributions of \$25,000 or more.

This funding provides crucial operational and program support that allows us to maintain and expand our educational programs, such as the **We the People Constitution Tour™** program. This immersive tour serves approximately 1,400 D.C. middle school students annually and provides a unique and impactful learning experience, particularly for students from historically underserved communities.

YOUR INVOLVEMENT

Are you, your company, or your organization looking for a unique way to demonstrate the significance of your charitable and civic responsibility to a broad national audience?
